- <http://www.esri.com/library/newsletters/govmatters/govmatfall10.pdf>
- <http://www.montgomeryplanning.org/gis/interactive/index.shtm>

# Kudo's from GIO

- **Sandi Cone** - for the vision and energy to bring closer together the Public Safety and GIS communities
- **Jim Cannistra** - for providing leadership in the statewide parcel and imagery projects
- **Roger Barlow** - for tireless support for Maryland's and the federal governments NSDI goals closer to reality.
- For the GIS leaders of **Garrett, Charles, Washington and Carroll** counties for pursuing the compilation of vector parcels to complete the state's coverage.
- **Emergency Number Systems Board** for embracing the value of accurate and high-resolution map data for answering 911 calls.
- **Governor O'Malley** for exhibiting the vision and leadership to pursue better decision making and transparency using GIS technology.
