Data & Resources Subcommittee Priorities

MSGIC Bylaws – Article VI, Section B, Paragraph 1

"The Data and Resource Subcommittee shall coordinate development of MSGIC-endorsed digital base maps and prioritize thematic map layer production. This group shall support ongoing database development and interoperability initiatives, and oversee the formation and implementation of GIS related standards and guidelines. Furthermore, this subcommittee will explore grant and partnership opportunities, and foster coordination and communication on GPS issues within Maryland."

Data & Resources Subcommittee Priorities

Chair: Patrick Callahan

ptcallahan@co.pg.md.us

1. Enhance the Mission of the Data and Resource Subcommittee
2. Coordination with all Stakeholders
3. Data Sharing
4. Standards and guidelines

Education Subcommittee Priorities

Chair: Lauren McDermott

ldmcdermott@salisbury.edu

1. Determine who is interested in serving on the committee now that education and outreach have been split.
2. Survey the membership regarding the type of education opportunities they are interested in.
3. Plan 3 – 4 education events for YR2014
4. Provide support to those members pursuing GISP (mentoring)

Grant Subcommittee Priorities

Chair: Mike Scott
msscott@salisbury.edu

1. Modify the bylaws to refocus this subcommittee to Advocacy and present this change to the members for approval

2. Identify potential volunteers with Advocacy experience and/or passion (3-4 people)

3. Create an Advocacy process

Outreach Subcommittee Priorities

Chair: Ashley Buzzeo

abuzzeo@towson.edu

1. Create a social media plan
2. Create a newsletter/communication plan
3. Website management
4. Support MSGIC and Subcommittees on outreach efforts and communication
